

INNOVATION TO MAKE IT FIRST, QUALITY TO MAKE IT LAST.

## DISCLAIMER

### *IMPORTANT INFORMATION*

Blair Rubber Company provides written and verbal information, which we have gathered from a multiple of sources relative to rubber lining materials. However, such information is offered as a guide only; and therefore, Blair does not assume liability, whatsoever, in regard to the use of this information. The user of this information must determine the suitability of this information.

Since the application of technical information supplied by Blair may be affected dramatically by many factors such as, weather, skill of technician, synergistic effects, the enclosed should be used only as a guide. Blair, accordingly, disclaims liability for damages, resulting from reliance on the information supplied herein except as noted in our standard warranty for our products.
