Material Safety Data Sheet

Normac 900R-NPB

SECTION I – SUPPLIER AND MATERIAL IDENTIFICATION

Supplier's Name: Blair Rubber Company
5020 Panther Parkway
Seville, OH 44273
Emergency Telephone Number: 800/424-9300
International Telephone Number: 202/483-7616
information Telephone Number: 330/769-5583

Product Class: Rubber Adhesive
Chemical Family: Chloroprene Polymer
Trade Name: Normac 900R-NPB

SECTION II – HAZARDOUS INGREDIENTS

	Cas No.	% W.W.	TLV, ppm
n-Propyl Bromide	106-94-5	60-85	N.E.
t-Butanol	75-65-0	< 2	100
1,2 Epoxybutane	106-88-7	< 2	400
Acetonitrile	75-05-8	< 2	40
Polychloroprene	9010-98-4	10-25	N.A.
Resin, polymer with phenol	68083-03-4	5-15	N.A.

SECTION III – PHYSICAL DATA

Specific Gravity: 1.30
Viscosity @ 25° C: 2500-4500 cps
Boiling Point: 71° C
Vapor Pressure: 112 mm Hg @ 20° C
Vapor Density
(air = 1): 4.3
Volatility %: N.E.
Appearance: Viscous Liquid
Odor: Characteristic odor

SECTION IV – FIRE AND EXPLOSION DATA

Flash Point:	N/A
Flammable Limits in Air (% by Vol.):	LEL: 4.0% @ 25° C UEL: 8.0% @ 25° C
Extinguishing Media:	Carbon dioxide, dry chemical powder, alcohol or polymer foam(Class ABC,BC fire extinguisher). Water may be ineffective.
Unusual Fire and Explosion Hazards:	Containers may explode and toxic and corrosive fumes may be released in a fire.
Special Fire Fighting Procedure:	Wear self-contained respiratory equipment and protective gear to prevent eye and skin contact.

SECTION V – REACTIVITY DATA

Stability:	Stable under ambient temperature and pressure
Conditions to avoid:	Ignition sources.
Incompatibility Material:	Strong oxidizers and strong bases.
Hazardous Decomposition Products:	Hydrogen bromide, oxides of carbon.
Hazardous Polymerization:	Will not occur

SECTION VI – HEALTH RELATED DATA

Exposure limits:	1000 ppm TLV based on independent sources.
Eyes:	May cause irritation
Skin:	May cause skin irritation
Ingestion:	Low toxicity, not expected to be a hazard in normal use.
Inhalation:	May irritate the nose throat and lungs. Exposure to high doses may cause CNS depression. Such doses may also cause adverse effect in liver, kidneys and lungs.

SECTION VI – HEALTH RELATED DATA, continued	
---	--

Aniimal Data:	n-Propyl bromide: LD50 Rat, oral – 4260 mg/kg LC50 Rat, inhalation – 253,000 mg/m ³ /0.5 hr.
	1,2 Epoxybutane: LD50 Rat, oral – 1180 mg/kg LD50 Rabbit, derml – 1760mg/kg
	t-Butanol: LD50 Rat, oral – 3500 mg/kg
	Acetronitrile: LD50 Rat, oral – 2460 mg/kg
Carcinogenicity:	Not known to be a carcinogen. Not classified by IARC.
Mutagenicity:	Not mutagenic by Ames test.
Chronic Toxicity:	N.E.

First Aid

Eyes: Irrigate eyes immediately with water for at least 20 minutes. May cause pain and vapor may irritate eyes. Get medical attention.

Skin contact: Wash thoroughly with soap and water.

Ingestion: Wash mouth with plenty of water. If conscious, give a glass of water to drink. Get medical attention.

Inhalation: Remove person to fresh air. Get medical attention..

SECTION VII – SPILL OR LEAK PROCEDURES

Spill or Leak Procedures: Shut off all sources of ignition. Contain the spill and absorb with inert material. Place in waste container. Wash the spill site and ventilate the area.

Waste Disposal: Send to licensed reclaimer or to permitted incinerators. Check with local authorities.

Handling & Storage: Store in cool, dry place. Keep containers closed when not in use. Keep away from heat, sparks and open flame. Explosion proof equipment recommended.

Environmental Toxicology: N.E.

SECTION VIII – CONTROL MEASURES

Respiratory Protection: Use approved respirators if vapor or misting occurs or in insufficiently ventilated areas.

Ventilation: Provide good local ventilation where needed to keep emissions below the recommended exposure limits.

SECTION VIII – CONTROL MEASURES, continued

Eye Protection: Use safety glasses. Where contact is likely, face shield or chemical goggles are recommended.

Skin protection: Wear chemically resistant gloves, clothing and boots to minimize contact with skin.

SECTION IX – REGULATORY INFORMATION
--

Proper Shipping Name: This product is not regulated.

TDG (IATA and IMO): This product is not regulated.

Hazard Label / Placards: None

Information contained herein is offered only as a guide to the handling of this specific material and has been prepared in good faith by technically knowledgeable personnel. No warranty of any kind is given or implied and Normac will not be liable for any damaged, losses, injuries or consequential damages resulting from the use or reliance on information contained herein.
